Many people have asked questions as to the processes and charges associated with a Concealed Carry Weapons permit (CCW). Here is the breakdown of the costs associated with obtaining a CCW.

During the initial application:

The Department of Justice Charges the Sheriff's office \$93.00. Our office charges \$15.00 to do the finger prints, and \$42.00 for the processing of the documents related to a CCW. The total cost is \$150.00 payable to the Modoc County Sheriff's Office as cash, check, money order or cashier's check.

During the Renewal Process:

The Department of Justice charges \$52.00 which the applicant pays directly as a cashier's check or money order **only**, payable to California Department of Justice. California Department of Justice will **not** accept personal checks or cash. The Sheriff's Office charges an additional \$20.00 to process the paperwork which can be made as cash, personal check, or a separate cashier's check or money order made payable to The Modoc County Sheriff's Office.

Amendments:

Once the initial CCW is issued the holder may come in at any time to add or delete a firearm, at that time our office charges \$20.00 to process the paperwork and issue the new license and ID card which can be paid by cash personal check, money order or cashier's check made payable to The Modoc County Sheriff's Office. **If a person is adding a firearm to their CCW they must have a CCW Qualification form signed by the instructor with the serial number of the firearm that they wish to add.**

- Spouses can have same firearm issued on each other's permit
